If you are interested in speaking at the Board meetings, you must contact the President one week in advance of the meeting, and ask to be added to the Public Speaking portion of the agenda. The minutes of these meetings are published and available in the main office and on the school website.

All meeting minutes will be recorded by the Secretary and distributed to members of the Board no later than 10 days after a Board meeting. The minutes will be approved by the Board at the beginning of the subsequent meeting and will be made available for public consumption on this website after approval
