Read to Achieve Test-Grade 3 (For 3rd graders who must retest to satisfy the requirements of the Read to Achieve legislation.)	June 1	State

DPI has informed us that due to a modification of the field test design, there no longer needs to be a stand-alone field test in math. This means our school no longer needs to participate in the math field testing for grades 3, 4, 5, and 8 which was scheduled for April 26-27, 2018. This calendar reflects that change.
