

# Camp Stingray

## Summer Rays: Elementary

**Come explore summer at Camp Stingray!**

Come explore summer this year at Sterling's summer camps. Beginning Monday, June 14th and running through Friday, August 6th, Sterling will be hosting 8 weeks of fun, educational camps. The Summer Rays Elementary Camps are open to current and incoming rising 1st - 4th graders. Join us for some summer time fun!

### Camp Hours and Fees

<b>Full Day</b>	8:00 - 3:00	\$220.00/week
<b>Half Day</b>	8:00 - 12:00	\$110.00/week
<b>Aftercare</b>	3:00 - 5:00	\$40.00/week

### Fees for the 4-Day Week of 6/29 - 7/2

<b>Full Day</b>	8:00 - 3:00	\$175.00/week
<b>Half Day</b>	8:00 - 12:00	\$85.00/week

## **Week One: June 14th - 18th**

### **The Great Outdoors**

Join us for a week of the Great Outdoors. We will be spending our week using the outdoors around campus. We will spend our day doing activities outside, learning about nature, building shelters and nature related crafts.

## **Week Two: June 21st - 25th**

### **LEGO Week**

Let the world of Legos come alive this week! Students will use planning, creativity, and teamwork to build a working Lego Village.

## **Week Three: June 28th - July 2nd**

### **Under the Sea / At the Beach**

This week at camp we will explore the deep blue sea and spend some time doing beach activities. Students will learn about the ocean, underwater animals and the beach through engaging crafts, activities and games.

## **Week Four: July 6th - 9th**

### **STEM Week**

Students will learn about technology, engineering and mathematics in a fun and engaging way. The students will learn how to extract DNA from a strawberry, build structures, discover why the sky is blue, and many more fun activities.

## **Week Five: July 12th - 16th**

### **The Solar System**

This week at camp we will blast into our Solar System! Students will explore our neighboring planets, Earth and International Space station through engaging crafts, activities and games.

## **Week Six: July 19th - 23rd**

### **Explore the Continents**

Improve your knowledge of the 7 continents of the world along with interesting facts about each one. We learn about the landmarks, cities, animals and people that inhabit each continent. We will be making fun crafts to go along with each continent lesson.

## **Week Seven: July 26th - 30th**

### **Paper Art and Crafts**

Students will learn and practice a variety of techniques in origami and other paper crafts. Our many crafts will include origami, 3D paper sculptures, masks and greeting cards.

## **Week Eight: August 2nd - 6th**

### **Physical Activity Week**

Students will engage in games and activities that are designed to encourage team work, problem solving with their peers and improve gross motor skills. It is sure to be a ton of fun!
