

Camp Stingray

Summer Rays: Children's House

Come explore summer at Camp Stingray!

Sterling Montessori provides a quality, educational summer camp in a safe, engaging environment. Camp starts on June 13th and runs for nine weeks. The Summer Rays Children's House camp is open for current students who attended Sterling during the 2021-22 school year, **PK3 through rising Kindergarten**. Our camp provides a continuation of the school year where children will follow the Montessori philosophy and participate in a variety of learning activities which include science, music, art and outdoor play. For our newest members of the Sterling community, camp is a great introduction to the routines of the school year. Come join us for some summer time fun!
