BLENDED LEARNING PLAN B MIDDLE SCHOOL

Reopening Plan B
Blended Learning
Begins January 5, 2021

Reopening Plan B

LEARNING ENVIRONMENT	HEALTH PREAUTIONS	TEACHING & LEARNING
<p>Blended Learning Track: Students from each pod will be split into two groups (no more than 40 students in each group, no more than 20 students in each room).</p> <p>Each group will alternate 1 week on campus (face to face) and 1 week at home with work accessible via Google Classroom.</p> <p>Distance Learning Track: option for any Middle School families that opt in to fully virtual program (ie. no in-person learning)</p>	<p>Enhanced Health Protocols</p> <p>Moderate Social Distancing</p> <p>**See requirements & recommendations in the Reopening Guide for families</p>	<p>Our current virtual program will continue for all students, whether or not they are on the Blended Learning Track or the Distance Learning Track. Students who opt-in to the Blended Learning Track will receive the same lessons/instruction (via a laptop) as those at home but will have the ability to be on campus for a full school day.</p>

By having each of our lead teachers continue their current method of instruction, it will allow all students (whether on campus or at home) to remain in their current Pods with their current teachers.

Specials: Students on campus will have the opportunity to participate in PE in-person while students at home can participate remotely. All other Specials will continue to be remote.
