## STERLING FACULTY SPOTLIGHT

### **Shannon Kirk - Special Education**

*"I'm Shannon Kirk. I've been at Sterling since 2005, working as an Upper Elementary co-teacher, lead teacher and now EC teacher. The*

*Montessori method appeals to me because it's individualized, helps teacher organization and responsibility in addition to academics, and gives students choices. I wish I would have been enrolled in a Montessori school as a kid! I've also found a family of colleagues at Sterling that are smart, really committed to each child, and fun to hang out with.*

*In my free time I like spending time with family. I love cooking and baking with my husband, who used to be a chef. We all enjoy eating the results! In addition, I enjoy deep conversations with my son, who is majoring in philosophy at UNC. My other interests include music, visual arts, gardening, hiking and nature."*
