

Sterling Floorball (Indoor Hockey)

Floorball is an indoor version of hockey, but without checking! All you need is a stick, a ball, and the desire to learn a new team sport! This year there will be three different after school Floorball groups available to Sterling students in the 1st-8th grades. There will be a 1st and 2nd grade activity group, a 3rd through 6th grade *non-competitive* club , and a middle school *competitive* team .

Each group will meet one day per week until 5:00 beginning the week of November 26, 2018 and ending on the Friday before Spring break, April 12, 2019. We will not meet on holidays, conference days, and professional work days.

Which day each group meets will be determined by the after-school schedules of the participants, trying to be the afternoon the majority of the group is available.

There is a fee of \$175 cost for the club, which includes a uniform and equipment. Anyone interested in signing up please email me at russbrandon@sterlingmontessori.org. A permission slip (below) is needed for each child that participates in Floorball.

For more information about how floorball is played, check out www.trianglefloorballclub.org.

Thanks,

Russ Brandon

**Please complete and return along with \$175 payment to the Main Office,
